Dear Researcher,

It is an honor and a real pleasure to invite you to the

**\*International Symposium on Lexicography and Dictionary Research in Turkey and in the World\***

This symposium will be held on the 40th anniversary of the Kubbealti Academy Culture and Art Foundation between **\*November 4 and November 6, 2010\*** at Beşiktaş, Istanbul, with the support of Bahçeşehir University Civilization Studies Center and the Elginkan Foundation.

Which needs have prompted the scholars to focus on this wide research field that had initially started with lexicology and subsequently branched out into lexicography, dictionary research, dictionary use and teaching? Which methodological questions have challenged them along this academic journey? While advancing in their fields, which definitions and methods have they applied, which results have they received? What are the current issues that we need to address?

To answer these and more questions and raise new ones, we would like to have your valuable participation. We hope that this symposium will make a significant contribution to overall language studies, particularly to Turkish ones, by providing the scholars with an opportunity to exchange their theoretical and applied knowledge in an international platform.

INTERNATIONAL SYMPOSIUM  
ON LEXICOGRAPHY AND DICTIONARY RESEARCH  
in Turkey and in the World

4th – 6th November 2010

Bahçeşehir University  
Beşiktaş Campus

ISTANBUL

**In honor of and in memoriam  
İLHAN AYVERDİ  
1926-2009**

Dear Researchers,

Kubbealtı Academy Culture and Art Foundation, that has aimed at perpetuating studies in Turkish language, history, and cultural heritage, has designated the dictionary writing as its primary purpose since its foundation in 1970. At the end of this determined advancement, a Dictionary Division was established within its structure in 2005.

In the same year, Great Turkish Dictionary with Examples (3 volumes) was published by late İlhan AYVERDİ who, as the head of the trustee committee, had worked on this dictionary for 34 years. Subsequently, the Foundation has reached its first goal in the field of dictionary writing by publishing Turkish Dictionary, School Dictionary, and Great Turkish Dictionary with Examples (1 volume).

In its 40th anniversary, with the participation of Bahçeşehir University Civilization Studies Center and Elginkan Foundation, Kubbealtı Academy Culture and Art Foundation aims to support the field of dictionary research -which we consider as important as dictionary writing- at an academic level, to foster scholarly exchange, and to enrich the scholarly accumulation with new perspectives in these fields, either in Turkish or in other languages.
